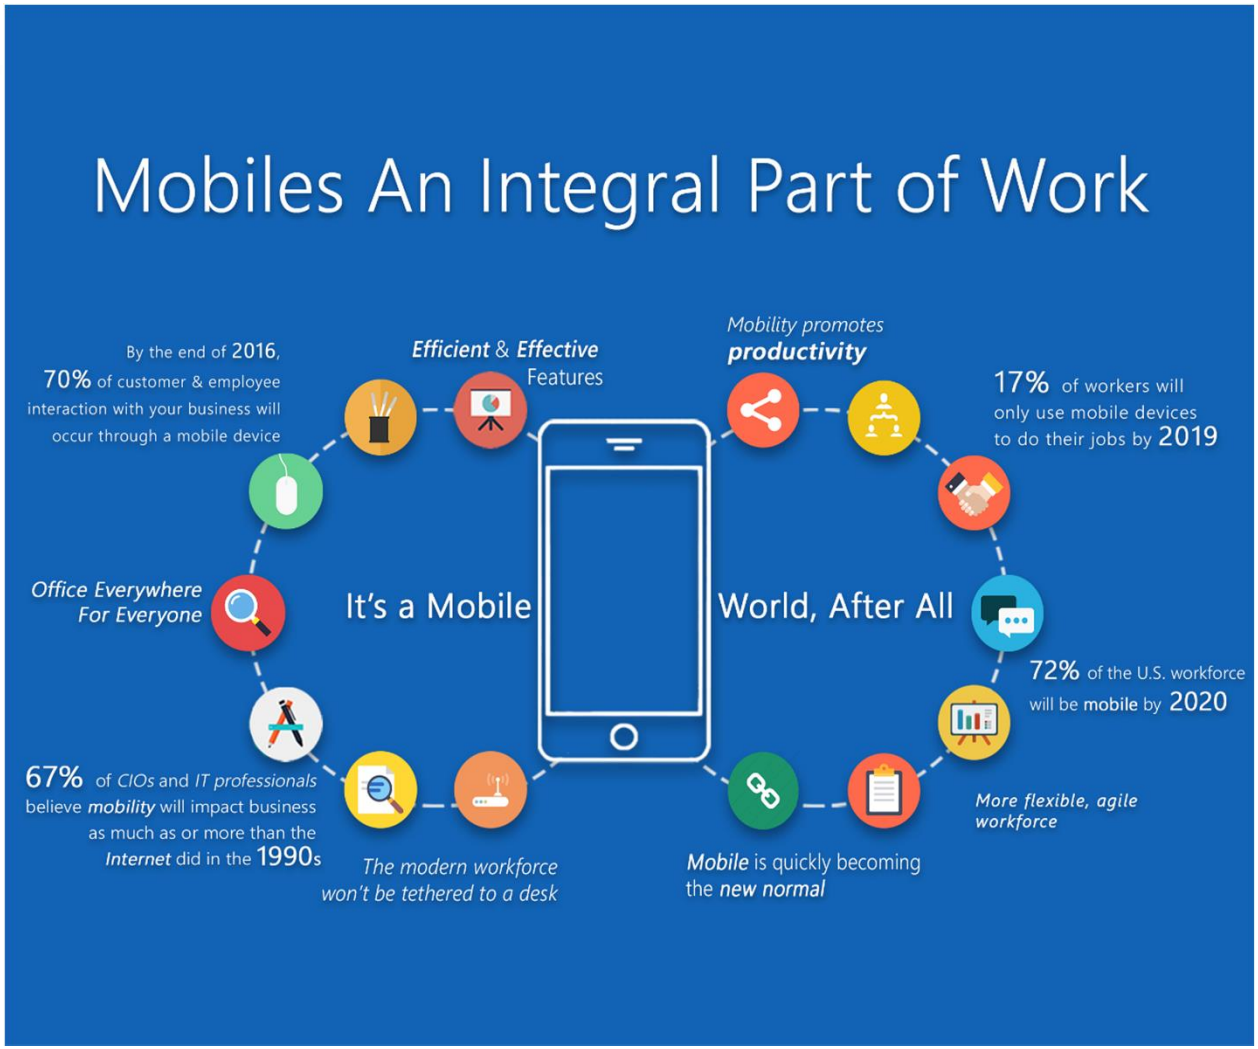
Project Management on Mobiles and Handhelds

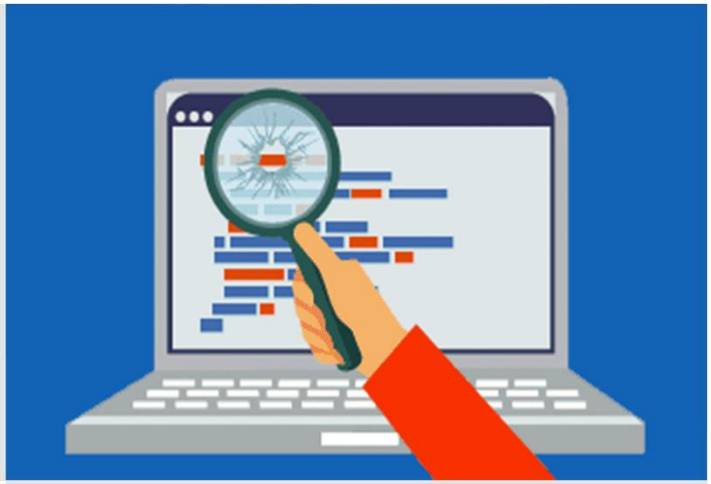
Presented By – Vivek Kadam

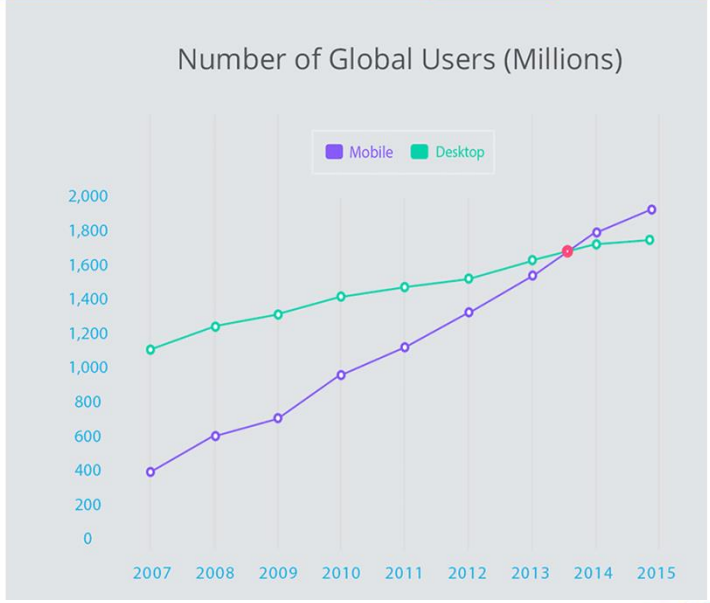
Date – 07.28.2016



Mobiles An Integral Part of Work
By the end of 2016, 70% of customer & employee interaction with your business will occur through a mobile device
Efficient & Effective Features
Mobility promotes productivity
17% of workers will only use mobile devices to do their jobs by 2019
Office Everywhere For Everyone
It's a Mobile World, After All
72% of the U.S. workforce will be mobile by 2020
67% of CIOs and IT professionals believe mobility will impact business as much as or more than the Internet did in the 1990s
The modern workforce won't be tethered to a desk
Mobile is quickly becoming the new normal
More flexible, agile workforce

Gone are the days of Laptops & PCs





75 % of companies surveyed by Tech Pro last year permit or plan to permit BYOD in the workplace.

A 2014 study by professional IT network Spiceworks found that 35 percent of devices in today's workplace are
